1. The Third Army Medical Supply Depot is located in the Kyoshkovete suburb at the western extremity of Kolarovgrad (Shumen). The depot can be reached by taking the city bus to the last stop.
2. A large brewery is located opposite the depot. Between the depot and the brewery is a path used by the townspeople for promenading or going to the Khoremag restaurant.
3. The depot, located in fairly isolated heavy woods, is not heavily guarded. The building now used as a depot was formerly a restaurant. The guard house is located in a wooden barracks on the south side of the entrance. The entire installation is surrounded by a barbed wire fence.
3. Major Vasil Tserovski, a Master Pharmacist of the Medical Corps, is the depot chief. He is not a Communist.
